

Saint Vincent's Services Gift Ideas

Every year, dozens of children arrive at Saint Vincent's in the days just before Christmas - after the majority of the donated gifts have arrived. In addition to gift certificates or cash donations, the following gifts would be very helpful to have on-hand for those children:

- Portable CD Players or **non-recordable** (no video or audio) MP3 Players with Over-the-Ear Headphones (the most requested items)
- Over-the-Ear Headphones
- CDs of popular music (clean versions only) "Now That's What I Call Music" CD's are most requested.
- Stereo/ Small boom box with CD player AM/FM radio
- Gift Cards: Target, Amazon, VISA, Old Navy, Kohl's, Game Stop, Best Buy or Wal-Mart, J and B Hockey Store Fall River, MA
- Sets of Lego's
- Nonviolent Video games (rated E for everyone or T for Teen) for 2DS or Xbox One, or PS4.
- Portable DVD players and DVD's geared toward a young adult audience (Rated G, PG, or PG-13, non-violent themes only please.)

Please remember that the majority of children who live at Saint Vincent's are between the ages of 10 and 18. Often we receive many gifts for much younger children and have difficulty finding last minute presents for our older youth. The holidays are an especially difficult time for anyone separated from family, and we do our best to make the atmosphere at Saint Vincent's as joyful as possible for all of our youth.

For security and organizational reasons, as well as agency policy, all gifts need to be **UNwrapped**.

Gifts need to be received by Friday, December 11, 2020 so that each gift can be wrapped, organized and delivered to all of our locations throughout the campus and community in time to magically appear under the tree on Christmas morning.

Our mailing address is 2425 Highland Avenue, Fall River, MA 02720. Should you have questions please contact Jenny Mello Reis at Jreis@SaintVincentServices.org or by phone at (508) 235-3228.

Thank You!
